Dear Sirs,

We invite you to take part at the 5th ENERGY FAIR to be held from 20th to 24th of September 2017 at the Adriatic Fair in Budva.

Guided by the knowledge about global energy deficit, importance of increasing conscience about rational use of energy, energy efficiency and energy saving measures, Adriatic Fair Budva organizes the 5th International Energy Fair.

Energy Fair is an opportunity for companies, state and academic institutions, professional associations and individuals who operate in the field of research, development, production, transfer, distribution and rationalization of energy use to present new technologies and achievements.

Fair event puts emphasis on energy efficiency, alternative and renewable energy sources, as well as the transmission of electricity. With the promotion of new products and technology, fair platform may point out the strengths and qualities of modern solutions in the construction and equipping of facilities in a quality manner.

Within the fair event will be organized rich, comprehensive and diverse program created according to the actual economic trends in collaboration with state and academic institutions, professional associations and individuals from the energy sector area.

We use this opportunity to remind you of discounts we provide. The amount of discount depends on timely submitted applications, payment schedule as well as on size of rented space.

Expecting your application, we remain at your disposal for your ideas and suggestions for collaboration with the honest desire to have successful business results and fair performance.

Sincerely,

Djordje Djokic
Project manager
