Greetings! We are delighted to invite you to the Sixth Qingdao Multinationals Summit (QMS), co-hosted by the Ministry of Commerce of the People's Republic of China and the Shandong Provincial People's Government. The event will take place in Qingdao from June 18 to 20, 2025.

Since its inception in 2019, the QMS has attracted more than 3,000 attendees, coming from 421 Fortune Global 500 companies and 967 industry leaders. As a strong brand for opening up, it constantly promotes open dialogue between China and multinationals, and actively advances mutually beneficial and sustainable development, not only for Shandong Province, but for the whole country. Now it has become an important open platform for multinationals to invest, grow, and succeed in China.

Centered on the theme 'Multinationals and China: Succeeding in China, Connecting the World', the QMS will explore current trends in the global industrial revolution and investment landscape. Following the framework of '1+3+N', and focusing on the latest concerns of the multinationals, more than twenty events will be organized
